

EKORNES®

CONTRACT

This is where our journey begins

THE ULTIMATE SEATING COMFORT

It has taken decades to fine-tune the experience of perfect seating comfort.

With more than 80 years of experience

AN AMBITIOUS ENTREPRENEUR

Jens Ekorner combined practical knowledge with functional design to create furniture that is perfectly shaped for the body.

EKORNES® | CONTRACT

Ekornes Contract has long experience and excellent references as a supplier of seating furniture and mattresses for offshore and the hospitality industry. All our materials are certified according to strictest standards and requirements.

We offer all the basic collection of Ekornes and Stressless furniture for installation in hotels, from the most functional to the luxurious and stylish.

Luxurious travels demands comfort and pleasure.

Lean back in a Stressless recliner and discover that you are one with the chair –
a sense of effortless support.

Ekornes is the largest furniture manufacturer in Scandinavia and we will continue to design and manufacture products from Sykkylven, to preserve the history we are so proud of.

By combining processes perfected over generations with modern techniques and technological progress, we continue to manufacture a luxury product of the highest quality.

Made in Norway

EKORNES

Comfort takes shape.
